Extraordinary Meeting of ICS Members

Held June 5th in the parish hall of historic St. Paul Basilica (established January 1, 1822). Sixty members of the Irish Cultural Society of Toronto gathered to vote on a motion supporting Operating Funds for O'Connor House. Delivery of funds will commence after repair and restoration of the O'C Estate and upon the city of Toronto's approval for occupancy. Rate of payment is \$10k per year for five years. The motion passed 70% in favour. We appreciate this support from the ICS members. Thank you.

MEET NEXUS

www.rotman.utoronto.ca/nexus

We are happy to introduce to you, NeXuS—a young team of MBA students from Rotman/University of Toronto—who, as a business, works with the non-profit sector to assist in advancing its social mission.

O'CIHH responded to Rotman– Nexus' invitation to their Spring Open House. After sharing the O'C story and mission and hearing about Nexus we agreed to collaborate and move the O'Connor project forward. Together we are discerning Feasibility Studies for education and community uses through O'C House. Prospects are exciting. We look toward a focus on learning, meeting local community members; founder members input' and heritage standards.
