Dear Ms. Mary Fay:

To Whom It May Concern

I write on behalf of the members of the O'Connor Hill Ratepayers Association, a non-profit charitable association founded more than forty years ago.

Our organization support your vision, hard work and dedication of what the O'Connor Irish Heritage House have done and will continue to do in preserving the home of the late Senator Frank O'Connor. This house is not only a symbol reflective of O'Connor's work and living. It also demonstrates and embodies his enduring culture for caring, sharing and giving and this should be a testament not only to our community but also to all Canadians.

By preserving Senator's Home we are giving everyone in our community and every Canadian an opportunity to learn, grow and change and be insightful of the Senator Frank O'Connor's work and accomplishments.

I enthusiastically recommend preserving the O'Connor House.

Sincerely,

David A. Joyette
President
